Dear Sir/Madam

Adelaide Brighton Appendix 4D half year report 30 June 2005

We refer to the Appendix 4D and half year report for 30 June 2005 released to Australian Stock Exchange on 18 August 2005.

We advise that in note 2 "Segment Reporting" on page 23 of the notes to the financial statements, the following correction is made in the half year 2005 table:

In the "Construction and Mining Materials" column the number for "Segment result", previously stated as \$55,315 million, should read \$64,192 million; and the number in the "Other" column for "Segment result", previously stated as \$3,058 million, should read (\$5,819) million.

The reason for this correction arises as a result of the incorrect inclusion of joint venture profits in the "Other" column.

This correction has no impact on the reported earnings of Adelaide Brighton Ltd for the half year ended 30 June 2005.

The Company will lodge the amended report with ASIC and Australian Stock Exchange as soon as it is available.

Yours faithfully

MRD Clayton
Company Secretary
