### **Divestment of Pavement Technology Ltd**

Adelaide Brighton Ltd has today entered into a Share Sale Agreement with Works Infrastructure Pty Ltd, a subsidiary of Downer EDI Limited, for Works Infrastructure to acquire Adelaide Brighton's subsidiary company, Pavement Technology Ltd.

Completion is subject to conditions precedent and will occur as soon as the conditions precedent are satisfied or waived.

The proposed divestment value is not material to Adelaide Brighton Ltd although it is at a scale that could trigger one of the conditions of Boral's Takeover Offer. Boral however has indicated that it is agreeable to Adelaide Brighton selling the business.

Signed

**Mark Chellew**  
Managing Director
